

TECHNICAL PRESENTATIONS IN EMEA1 2018

Come listen to our experts talk....

- 13 JAN** | **RPTM | January 13 – 15, 2018 | Odisha, India**
“Differentiated Solvent for Refinery Tail Gas Treating Performance Enhancement with Improved Emission Compliance”
Presenter: Ritesh Gulabani, *Senior Technical Service & Development Specialist*
- 28 FEB** | **Nitrogen + Syngas | February 26 – March 1, 2018 | Gothenburg, Sweden**
“Optimization of CO₂ Removal Units in Ammonia Plants via Formulated Solvents”
Presenter: Armin Hassanzadeh, *Research Scientist*
- 07 MAR** | **GPA GCC/GPA Joint Chapter Technical Conference | March 4 – 8, 2018 | Muscat, Oman**
“Field Operational Data for Hybrid Solvent Treatment of Mercaptans in Unconventional Natural Gas”
Presenter: Badar Al Saadi, *Senior Technical Service & Development Specialist*
- 20 MAR** | **2nd Middle East Sulphur | March 18 – 20, 2018 | Abu Dhabi, UAE**
“Lower Sulfur Emissions from Refinery Tail Gas Systems using Improved Solvents, Field Demonstration Results”
Presenter: Jan Lambrichts, *Technical Service & Development Manager*
- 26 MAR** | **SPE EOR Conference at OGWA | March 25 – 25, 2018 | Muscat, Oman**
“Surfactant Based EOR for Tight Oil Reservoirs through Wettability Alteration: Novel Surfactant Formulations and their Efficacy to Induce Spontaneous Imbibition”
Presenter: Pramod D. Patil, *Research Scientist*
- 11 APR** | **CIS Monetisation | April 11, 2018 | Moscow, Russia**
“Removing Mercaptans With New, Hybrid Solvent Technology to Improve Economics of Gas Treatment Operations”
Presenter: Bruce DeBolt, *Global Business Development Director*

We will also be speaking at the following events*

- RDPetro | May 13 – 14, 2018 | Abu Dhabi, UAE
Uzbekistan International Global Oil & Gas Exhibition | May 16 – 18, 2018 | Tashkent, Uzbekistan
Russian Oil and Gas Forum | May 22 – 25, 2018
5TH Annual Downstream Caspian and Central Asia | September 17 – 20, 2018 | Astana, Kazakhstan
Gas Tech | September 17 – 20, 2018 | Barcelona, Spain
KIOGE | October 3 – 5, 2018 | Almaty, Kazakhstan

*Presentation topics and details are being confirmed and will be made available once finalized
