

cleancomfort

For busy parents, carers and people with allergies, comfort is about more than how something feels and supports. It's knowing that the products you use every day will keep you and your family healthy. People want materials which stay clean, odorless, germ-free and allergen-free for longer.

THE CLEANCOMFORT SOLUTION

Washable

Whether you're an allergy sufferer or a busy parent, this washable, quick-drying product offers peace of mind and meets the needs of modern life.

DETAILS

Benefits

- Deep pillow cleanse (instead of only changing pillow case).
- Wash in the morning use in evening.
- Constant support after prolonged use, no fluffing required.

Features

- Highly durable foam core withstanding washing and spinning.
- Pressure relieving.
- Compress packable.

Technical description

A unique material design combines the soft and comforting feel people expect with the robustness required to withstand washing and spinning.
